

Multifunction Rack / Airing rack

Description:

- ⊙ Can be used to change the spacing, no longer limited to different sizes
- ⊙ You can use the color classification to use the block (need to match the color pillar)
- ⊙ The pillar can be used to change the creativity, or it can be used when the drying rack is used. The pillar is patented and detachable, and can be replaced according to requirements.

PATENT NO. 518588
